

My name is Alexander Chavez of Turner Scout Troop 187 in Turner, Maine and my Eagle Project is to update the Veteran's Monument in Turner Maine. I am in need of your support to update the monument. Customized bricks (along with new flag poles and landscaping) will make a small courtyard in front of the existing Veterans Monument. You'll be able to individualize a brick to honor a military Veteran from within our community with their name, rank, and branch. Each donated brick will become part of the new Turner Veteran's Memorial as a lasting tribute to our Veterans for generations to come. It's easy to get started. Read on for details about how to take advantage of this exceptional program that will allow your family to contribute towards the Turner Veteran's Memorial. Once we reach our goal of at least 100 bricks, we will plan the installation after all materials are shipped to us. We will announce the unveiling of the completed project so that families can attend and see their loved ones' names at the Veterans Memorial.

Be the first to order your commemorative bricks today. Completed on-line orders are due no later than August 15th. As an added bonus, families can purchase a discounted second replica brick as a keepsake. Any replica orders will need to be picked up at the unveiling ceremony when the date is announced.
