

Sweeny ISD "Walk of Honor" Paver Project

The Sweeny ISD Walk of Honor Committee was created by action of the Sweeny ISD Board of Trustees for developing the Sweeny ISD Walk of Honor and cultivating pride in the community and motivation in the student body by recognizing successful contributors to the legacy of Sweeny ISD. Students, alumni, educators, businesses and people of our community can now play an important role in this legacy project by donating an engraved brick to the Sweeny ISD "Walk of Honor Paver Project". Donations from this Paver Project will primarily be

used to fund the "Walk of Honor" well into the future, however in the early stages some small amount of funds will be used to bring the paver area to life. By donating through this tax-deductible program, you are not only supporting the funding of the project you will be adding to the legacy of Sweeny ISD with a personal brick being forever displayed in front of the Sweeny High School. Please consider supporting this project not only by donating for yourself but also as a graduation, birthday or other special occasion gift for your loved ones or friends. Donor Brick/s will be shipped to Sweeny ISD for installation.

Let's continue to make Sweeny ISD "The District of Choice"
