

The North Star House Connecting Community ~ Brick by Brick

Over a hundred years ago, a newly licensed architect, Julia Morgan of Hearst Castle fame, designed the North Star House, an Arts and Crafts 11,000 square foot “Miner’s House” in Grass Valley. The House and its surrounding 14 acres are being restored as an historic building and a community gathering center, showcasing the arts, theater, literature, and history.

Become part of the North Star House history

- Help us build new patios at the original entrances to the House
- Help us make essential improvements to the East Lawn, Courtyard and Circular Drive
- Help us create a special gathering space for the community
