Remember and honor loved ones with an engraved brick or paver at Mobile Infirmary.

An engraved paver placed in the courtyard at Mobile Infirmary is a beautiful way to honor your loved ones. The Brick and Paver program sponsored by Infirmary Foundation adds their names to courtyards and green spaces on the campus of Mobile Infirmary. These spaces are frequented by families and hospital staff to take respite at the hospital.

Proceeds from the Brick and Paver program are invested in the hospital's general fund to support various hospital projects and programs.
