The Unicoi County Public Library Foundation invites you to leave a lasting legacy by participating in our Brick Campaign. Located in the heart of Erwin, the library has called the beautifully renovated Clinchfield Railroad Depot its home since 1997. Originally constructed in 1925 as a gift from the Colonel J.F. Toney family, this iconic depot holds a special place in our community's hearts and history.

Your custom-engraved brick will become a permanent part of this local landmark, symbolizing your support for literacy, education, and community. The bricks will be displayed as a pathway entering the library, and can be personalized with text of your choosing. Each brick purchased helps fund vital library programs and ensures the upkeep of our historic space, allowing us to continue serving Unicoi County for generations to come. Honor a loved one, commemorate a milestone, or show your family's commitment to our shared legacy one brick at a time.
