

PAVE THE WAY: Support the Children's Library

The Friends of the Cedar Grove Public Library are proud to launch "Pave the Way"-- a brick fundraiser dedicated exclusively to supporting renovations to the Children's library, creating a more engaging, enhanced and welcoming space for every person who visits.

The deadline for Phase I installation orders has passed and these orders are currently in production. New orders are still being accepted and will be included in a future installation date.

By sponsoring a personalized, engraved brick today, you leave a lasting tribute on the library grounds. Bricks will be placed on either side of the library's entrance walkway and around the new seating areas, with welcoming benches creating a beautiful new setting.

Invest in a brick to PAVE THE WAY toward a brighter future for Cedar Grove's children, ensuring their library remains an inspiring resource for years to come.
