

We're proud to launch our first ever Brick Fundraiser at the Naval Academy Primary and Secondary School in celebration of our 75th anniversary. With each personalized brick, we're not just commemorating a milestone, we're helping to build the future of NAPS, one brick at a time.

These bricks will be permanently installed on campus as a tribute to the families, alumni, and broader community who continue to shape and support our school. Each brick represents a commitment to the NAPS mission to nurture the intellectual, physical, emotional, and social development of children in a structured, supportive environment. Your brick becomes part of

the foundation we're laying for the next generation and a shared vision for what's ahead.
