

At Meals on Wheels, we believe that every meal we deliver is not just about food; it's about nurturing community and fostering connections. Our beloved building, which has served us well for 20 years, is now in need of vital updates to continue supporting our mission. From a leaky roof to outdated plumbing, air conditioning, and kitchen equipment, these improvements are essential to ensuring that we can provide the best possible service to our seniors in East Texas.

To help us reach our goal, we are excited to launch the "Brick by Brick" Campaign. This initiative invites you to contribute to the future of Meals on Wheels by purchasing a personalized brick that will be laid in the front entryway and the volunteer entrance of our Tyler location. These bricks will not only enhance the beauty of our facility but also serve as a lasting tribute to the people and businesses that make our community special.
