

We are revisiting our custom-designed brick pathway project at Port St. Lucie City Hall!

A pathway will feature engraved bricks that extend from the sidewalk's edge to the live oak tree and monument planted five years ago.

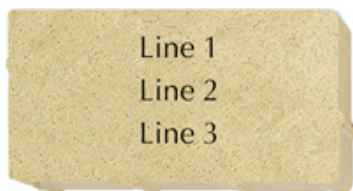

The pathway will be an impressive finish that enhances and connects our 40th anniversary project to our 35th anniversary project-- beautifully! We are now adding more bricks in 2026!

Purchasing a commemorative brick offers you a unique and permanent way to celebrate a special event, honor a family member or friend, memorialize someone special or showcase your business.

All proceeds will go to the PSLBW's Scholarship awards and Community Action & Grants. Your support is greatly appreciated and will continue helping assure the futures of women attending Indian River State College and provide much-needed funding to local non-profit agencies serving women and children.

Your personalized brick becomes a lasting tribute for generations to come, one that will be seen and remembered by this community.

The Port St. Lucie Business Women is a 501 (c) (3) non-profit professional organization dedicated to promoting the interests of businesswomen and serving our community.
